

## SCHOOL UNIFORM ORDER FORM

Dear Parents/Caregivers,

The school uniform consists of a navy polo shirt and navy-blue shorts/ track pants for summer and a navy-blue long sleeve polo shirt and navy-blue tracksuit for winter.

Our school uniform gives our students a distinct identity particularly when they are on excursions and when out in the community.

The school stocks the uniform in a variety of sizes which have the Sir Eric Woodward School logo embroidered on them (see pricing form on reverse). The items of clothing without logo are readily available from stores eg. Big W or Lowes, however we keep our prices as low as we can on the non-branded items such as shorts.

It would be appreciated if all items of school uniform could be **labelled** clearly with the student's name.

Swimwear can be purchased direct from Conni via their website [www.conni.com.au](http://www.conni.com.au).

Please note that the sizing on swimwear is on the small side, so we strongly suggest that you order at least one size bigger than the age guide recommends.
