Fun Fair news

Last Friday we had an amazing day; it was Sir Eric Woodward School Fun Fair! We were extremely pleased that the weather cleared up for us and students and visitors were able to spend the time participating in the number of outdoor activities on offer.

As you will see from the numerous photos, the day included many exciting games and thrilling activities. Students enjoyed playing Snookball, Kick'n Darts, tug of war, putt putt and side show alley games.

Along the way, students collected stamps for their participation and were rewarded with some exceptional prizes. A highlight of the day were the adorable animals and the face painting.

We must thank our community for coming on board and being a part of our fun day. Students visited from Sydney Grammar School, St Ives Park Public School and our neighbours at Christ Church pre-school. All had lots of fun as they participated in the many hands-on activities.

During lunch, we had a brilliant performance from the Asquith Boys HS band, great talent from an exceptional group of young men!

Thank you to Campbell's Superior Meats of West Pymble for donating the premium sausages for our sausage sizzle. Everyone raved about the delicious spread of food.

There is already talk by students and families for SEWS to schedule another Fun Fair very soon!
